

And Their People

-And what name for the canine wonder?

-Percy Picklehead!

-Quite a mouthful calling him in.

-Then it's just "Here Percy!"

-Obviously shattering glasses in Moylan Heights!

-He hasta HEAR! Or he'll pretend not to.

-Indeed? But...why the Picklehead?

-His last name. Like us!

-I can hear my mother now, decrying a slight infraction. Which nonetheless required first and last.

-Like I do! "Percy Pumpkinhead! SOMEbody stole that ground beef from the countertop!"

-And when BOTH mine got into the act for more serious crimes...?

-They put in middle name too!

-Too bad you can't...

-But I can! Percy Trevalian Picklehead, SOMEbody pooped on the living room carpet!" That 's just an example. He's perfectly housebroken.

-But don't add "better than a lot of PEOPLE!" That's one area where we've done beautifully!
